Reunion 2019
4:15 Free Period

A Camp With Character

The Time Capsule has been buried.
The books have been written.
The cabin has been built.
The Elders have been honored.
Hagan has turned 80.

Now it's time to kick back and chill
in tribute to our much loved 4:15
Free Period. We will gather on
September 10-12, 2019 at the
Shawnee Inn for three days of play,
connection and remembering.

Mark your calendars now! More
information coming January 2019.

"Hagan is the place-a for me. No other place would I
rather be. We play hard all day, and oh what fun.
And oh my gosh, the things we have done."
